CUBAN AFFAIRS.

A Special says the last consignment of munitions of war for Cuba, in addition to those now on the Cuban Coast, will be shipped on the Steamer Cahawba from this port on the 15th inst. It is reported that Maximo Gomez has crossed and arrived in the insurgents recently by the Steamer Lilian.

FINANCIAL.

The Railroad stock was the only one to-day with the Trust Company stocks. Erie was depressed by the rates of the Pennsylvania, and will hereafter be called at the reduced rates. Rock Island was also depressed by the rates of the Central, and a possibility of more such reduction. Northwestern was also depressed under the influence of the Erie movement. The gold market was quiet, both parties having effected their contracts yesterday. The Assistant Treasurer sold $100,000 at the opening, and received $100,000 at the close. The bank statement of this week was the best feature of the week's business. Specie shows heavy, with four successive weeks of increase.

The Associated Press gives the following account of the financial condition of the country:

Many thus entering a large number of persons employed in the War Department, because for a state of war the force of the Secretary of War is inadequate to the needs of the Secretary of State, and vice versa. Many of the clerks have been appointed by Congressmen, and cannot be dismissed at the pleasure of the head of the Department. Many of the clerks are old men, who have been in the service of the Government for years, and have become incapacitated for active duty. Many of the clerks are women, and several widows are employed.

TO THE ASSOCIATED PRESS.

NEW YORK, Sept. 9.—The Herald's Washington special says: Secretary Rawlins is still confined to his room by illness, and will probably remain there for several days. He is not considered dangerously ill. All the army and navy officers in the city have been summoned, and several visited Mr. Rawlins' residence to-day. Secretary Fish, Commissioner Delano, Postmaster-General Cresswell and Attorney-General Hoar have been in consultation at the Department of State, and Secretary Belknap has been in frequent consultation with Secretary Rawlins. Secretary Boutwell has been absent from the city for several days. Secretary Rawlins' illness has caused much anxiety among his friends, and the President has been frequently informed of the progress of his disease. Secretary Rawlins has been confined to his room for several days, and has been under the care of Dr. Lincoln, of Washington, and Dr. Barnes, of Georgetown. The latter physician has been in attendance upon the family of Secretary Rawlins for many years, and has been called in consultation with Dr. Lincoln. The latter physician has been in attendance upon Secretary Rawlins since the 1st inst., and has been in daily consultation with Dr. Barnes. Dr. Lincoln has been in attendance upon Secretary Rawlins since the 1st inst., and has been in daily consultation with Dr. Barnes. Dr. Lincoln has been in attendance upon Secretary Rawlins since the 1st inst., and has been in daily consultation with Dr. Barnes.

The Post Dispatch says: "The President has determined to appoint Gen. Sherman Secretary of War, and has notified him to that effect."

MORNING SESSION.

The Western Woman's Suffrage Association met pursuant to adjourning at Library Hall. Two o'clock had been the hour for assembling however in the call, and as only about a quarter of 11 o'clock, the hour to which it was adjourned, had arrived, but few persons were present. On motion of Mrs. E. D. Draper, Mrs. Mary A. Livermore was appointed to act as Secretary pro tem. The Secretary, Mrs. E. D. Draper, then read the following letter from Miss Lucretia Mott, of Philadelphia, a woman of world-wide reputation, and one of the most distinguished champions of the cause of woman's rights:

PHILADELPHIA, 7th Month, 5, 1869.

MY DEAR FRIENDS: Your kind invitation to attend the Convention of the Western Woman's Suffrage Association, to be held in Chicago on the 8th inst., was duly received, and I have only to express my regret that I am unable to accept it. Many years have passed since I have been able to attend any meeting, and I am now so feeble that I am not willing to undertake a journey of such length. I am glad to see that the Convention is to be held in the State of Illinois, where I have so many dear friends, and I hope it will be a season of refreshing to all who may attend it. Wishing you success in your efforts to secure the rights of women, I remain, yours truly,

LUCRETIA MOTT.

Mrs. LIVERMORE then announced the ladies in charge of the meeting, and requested that they should form four of the opening prayer. Mrs. Mary Ann Shadd Cary, of Washington, D. C., was then called upon to lead in prayer.

The CHAIRMAN then announced the names of the Vice-Presidents, who, however, were not present.

The CHAIRMAN stated that the first business in order was the appointment of a Committee on Credentials.

Judge WAITE moved that the Chair appoint such a committee.

The CHAIR complied, and announced as such committee Mrs. LUCINDA B. CHANDLER, of Michigan, a young and pretty lady, with a remarkably fine voice; Mrs. Dr. HUNTSMAN, of Iowa, and Mrs. Dr. Hosmer, of Illinois.

Miss LILLIE PECKHAM, of Wisconsin, a young and pretty lady, also with a remarkably fine voice, presented the following resolutions, which were unanimously adopted:

Resolved, That we tender our thanks to the Young Men's Christian Association for the use of their Hall.

Resolved, That we tender our thanks to the Chicago Press for the full reports of our proceedings.

Judge WAITE moved that the Secretary be instructed to read the call for the Convention.

The Secretary then read the call, which was published in full in THE TRIBUNE of Sunday last.

Judge WAITE moved that the Chair appoint a Committee on Permanent Organization and Business.

The CHAIR complied, and announced as such committee Judge WAITE, Mrs. WILLARD, and Mrs. Dr. HUNTSMAN.

The motion was agreed to, and the Convention took a recess accordingly.
